

Message for Parents

Google Classroom is up and running and can be accessed at home by all students using their c2ken.net username (eg. rsmith765@c2ken.net) This is an online app that most students have been briefed about by their class teachers. Guidance on how to access Google Classroom has been posted on the school website www.stpatsni.co.uk homepage along with all pass codes to access each class.

St. Patrick's Academy, Lisburn

The aim of the Academy is to promote opportunities for personal fulfilment and educational excellence within a safe and caring environment based upon mutual respect and our Catholic ethos. There is a strong emphasis on academic excellence and achievement for all, and our teachers have very high expectations for every pupil, regardless of ability.

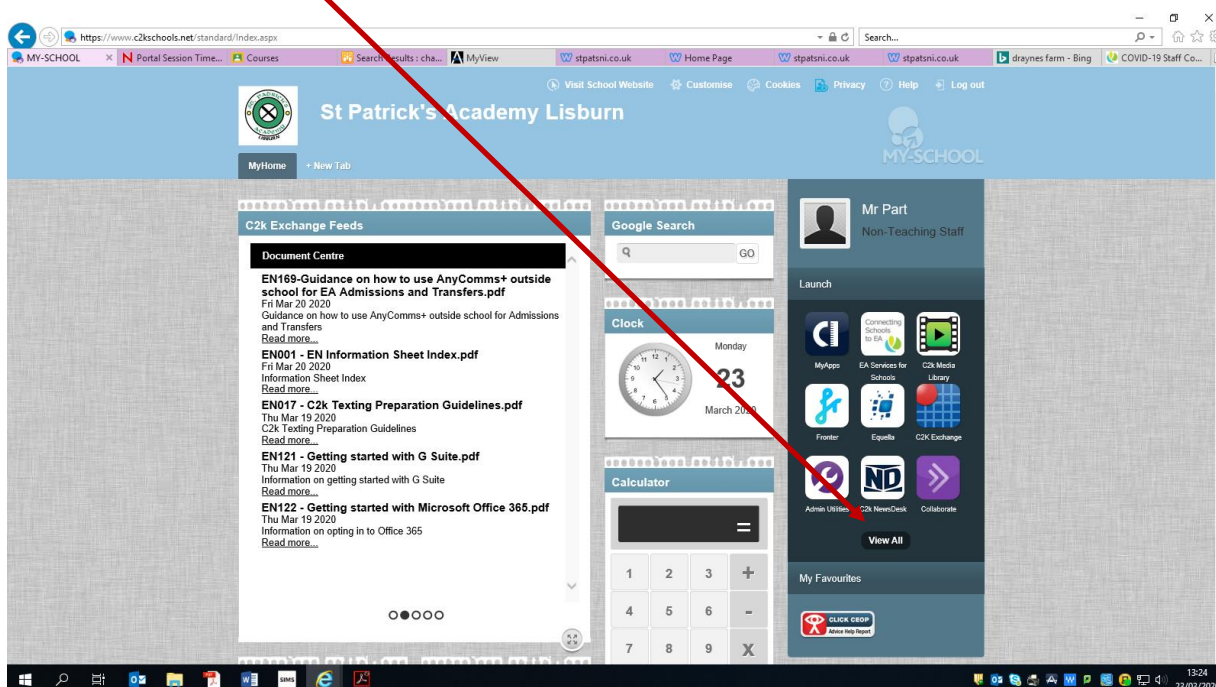

Google Classroom

Click here to access a pupil guide on how to use Google Classroom.
